*Drodzy Goście,*

*Z wielką radością zapraszamy Państwa do odkrywania naszej selekcji win, która powstała z pasji, ciekawości i głębokiego szacunku dla różnorodności świata wina.*

*W naszej pracy postrzegamy wino jako coś znacznie większego i bardziej wyjątkowego niż tylko napój. Wierzymy, że może być ono sposobem patrzenia na świat i wspianym pretekstem do jego poznawania.*

*Dla nas wino opowiada piękną historię - o rodzinach, o nieznanym miejscach i ich zachwycających krajobrazach, o kulturze stołu oraz o historii, do której stanowi zaproszenie. Wśród naszych wyborów znajdą Państwo zarówno legendarne klasyki, jak i przedstawiciele nowej fali winiarstwa, w tym niewielkie winnice działające w harmonii z naturą.*

*Szczególnie bliskie jest nam również polskie winiarstwo, a wina, które z dumą prezentujemy, pochodzą od zaprzyjaźnionych winiarzy - ludzi, z którymi łączą nas bliskie relacje i wspólne wartości.*

*Na pierwszych stronach znajdą Państwo także nasze aktualne pairingi oraz szeroki wybór win na kieliszki, doskonale komponujących się z naszym menu. Zachęcamy do odkrywania, próbowania i zadawania pytań - z przyjemnością podzielimy się naszą pasją, doradzimy i pomożemy odnaleźć idealne wino.*

*Dziękujemy, że są Państwo z nami*

*Dear Guests,*

*We are delighted to invite you to discover our wine selection - born from passion, curiosity, and a deep respect for the diversity of the world of wine.*

*In our work, we see wine as something much greater and more unique than just a beverage. We believe it can be a way of looking at the world, and a wonderful pretext for exploring it.*

*For us, wine tells a beautiful story - about families, about undiscovered places and their remarkable landscapes, about the culture of the table, and about the history to which it serves as an invitation. Among our selections, you will find legendary classics as well as representatives of the new wave of winemaking, including small wineries working in harmony with nature.*

*Polish winemaking is also particularly close to our hearts, and the wines we proudly present come from winemakers who are our friends - people with whom we share close relationships and common values.*

*On the first pages, you will also find our current pairings and a wide selection of wines by the glass, perfectly matched with our menu. We encourage you to discover, taste, and ask questions - we are always happy to share our passion, offer advice, and help you find the perfect wine.*

*Thank you for joining us*

# KRUG

CHAMPAGNE

*Founded in 1843 in Reims, France, the house was created by Joseph Krug, a visionary who believed that true greatness comes from craftsmanship and consistency, rather than the whims of a single vintage. Today, it continues this philosophy, blending dozens of wines from multiple years to create the harmony and complexity of the iconic Grande Cuvée.*

*In addition to Grande Cuvée, Krug produces refined Vintage Champagnes, each reflecting the unique character of its year with precision and depth. Their elegant Rosé combines freshness with finesse, while the rare single-vineyard treasures - Clos du Mesnil and Clos d'Ambonnay - reveal the purity, minerality, and distinctive character of their meticulously tended plots. Each bottle embodies patience, skill, and the personality of its terroir.*

*We are proud that Rozbrat 20 is the second Krug Ambassade in Poland, a place dedicated to sharing the artistry and spirit of this extraordinary house with our guests.*
